Andrew,

Please find attached a draft press release from DOJ regarding a settlement with XTO Explosives Inc. over alleged Clean Air Act violations in North Dakota. As you will see below, DOJ is saying that this could go as early as Monday. Susan Bodine thought that it would be appropriate for the EPA quote to come from Doug Benevento. I'm forwarding for your action. I would be glad to discuss, if you have any questions. Thanks, George

George,

Please see the attached release for your review and approval. This could go as early as Monday of next week. Would you mind coordinating with Richard Mylott and Andrew Mutter from Region 8? Thanks!

Best,
Jeremy
